

Introduction to Microsoft Azure

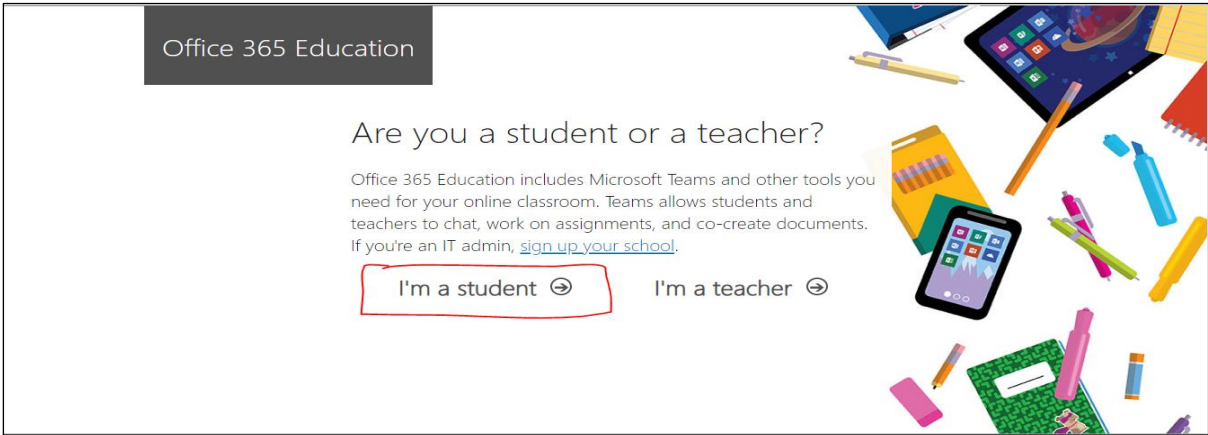

1.1 Create Microsoft Office 365 Account for Students and Educators

- Go to the link. (<https://www.microsoft.com/en-us/education/products/office>)

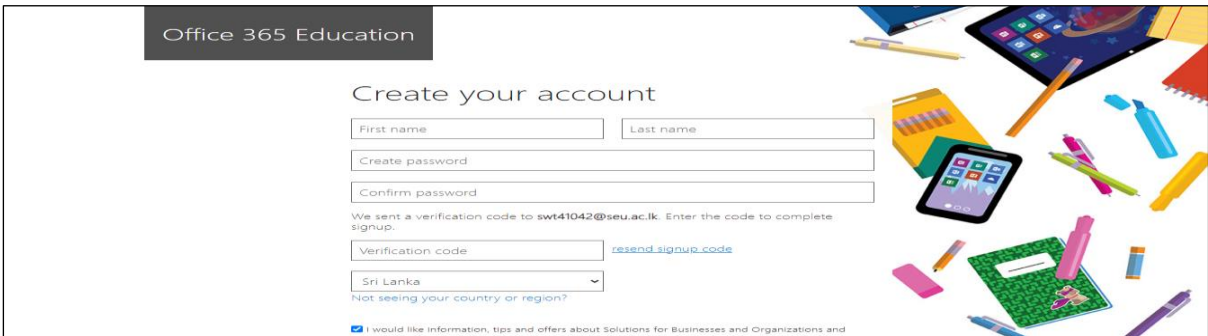

The screenshot shows the Microsoft Office 365 Education sign-up page. At the top left is the Microsoft logo and 'Education' text. At the top right is a 'CONTACT SALES' button. The main heading is 'Office 365 Education'. Below it, the text says 'Get started with Office 365 for free'. A paragraph explains that students and educators at eligible institutions can sign up for free, including Word, Excel, PowerPoint, OneNote, and now Microsoft Teams. Below this is a form to 'Enter your school email address' with a 'GET STARTED' button. At the bottom, there are links for 'NOT ELIGIBLE? SEE MORE OPTIONS >' and 'CONTACT SALES TO PURCHASE FOR YOUR SCHOOL >'. On the right side of the page is a large image of a young man smiling while looking at a laptop.

- Enter your university domain email id (abc@seu.ac.lk) and click Get Started button.

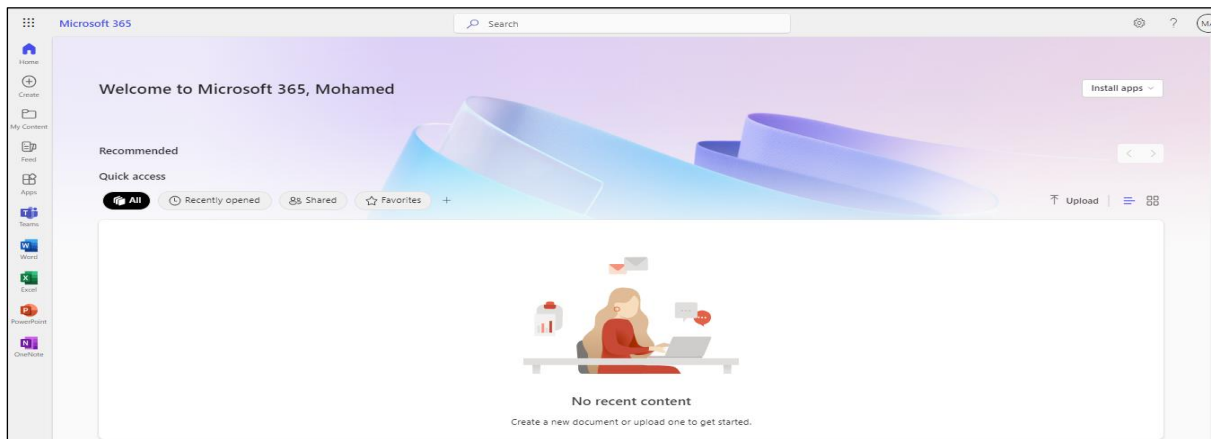

The screenshot shows the Office 365 Education account creation page. At the top left is the 'Office 365 Education' header. The main heading is 'Are you a student or a teacher?'. Below it, a paragraph explains that Office 365 Education includes Microsoft Teams and other tools for online classrooms. It mentions that Teams allows students and teachers to chat, work on assignments, and co-create documents. For IT admins, there is a link to 'sign up your school'. Below this are two buttons: 'I'm a student' (highlighted with a red box) and 'I'm a teacher'. On the right side of the page is a large image of various school supplies like pens, pencils, a calculator, and a smartphone.

- In the next window, select I'm a student. Fill the basic information in the next window. Finally, Click Start. Now your account is created.

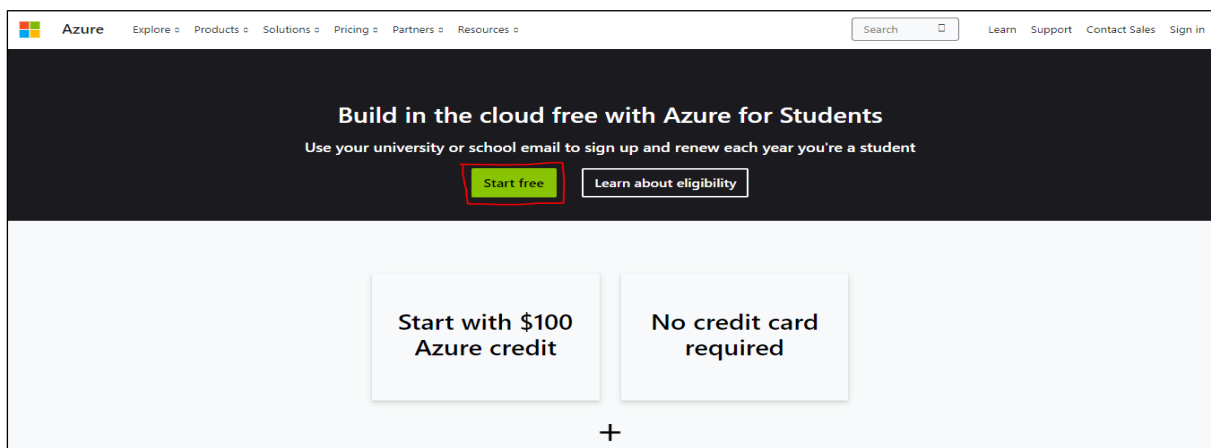

The screenshot shows the Office 365 Education account creation form. At the top left is the 'Office 365 Education' header. The main heading is 'Create your account'. Below it are four input fields: 'First name', 'Last name', 'Create password', and 'Confirm password'. Below these fields is a paragraph stating 'We sent a verification code to swt41042@seu.ac.lk. Enter the code to complete sign up.' Below this is a 'Verification code' input field and a 'resend sign up code' link. Below the verification code field is a dropdown menu showing 'Sri Lanka' and a link 'Not seeing your country or region?'. At the bottom, there is a checkbox labeled 'I would like information, tips and offers about Solutions for Businesses and Organizations and'. On the right side of the page is a large image of various school supplies like pens, pencils, a calculator, and a smartphone.

- Once you created the account successfully, you can visible the below Screen.

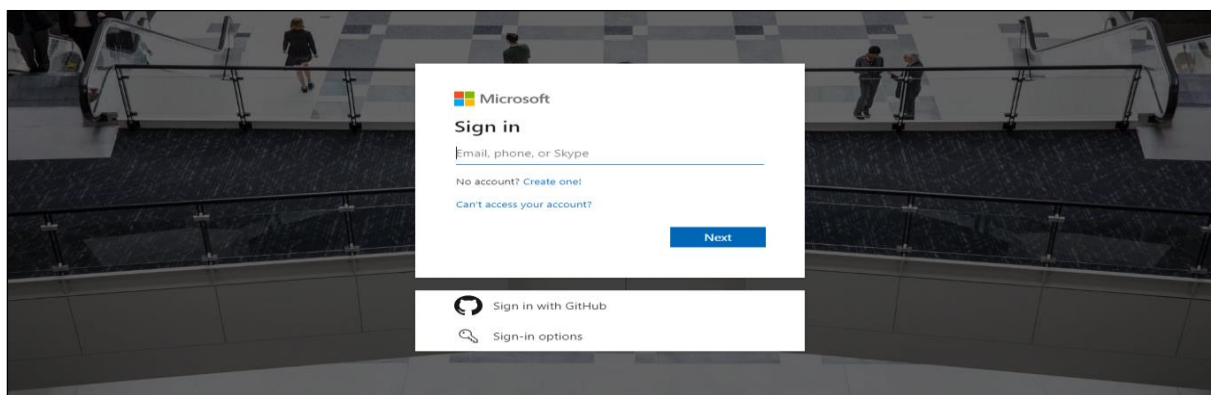

1.2 Microsoft Azure Account Login.

- Search Microsoft Azure student account in your browser and go to the below page.
(<https://azure.microsoft.com/en-us/free/students>)

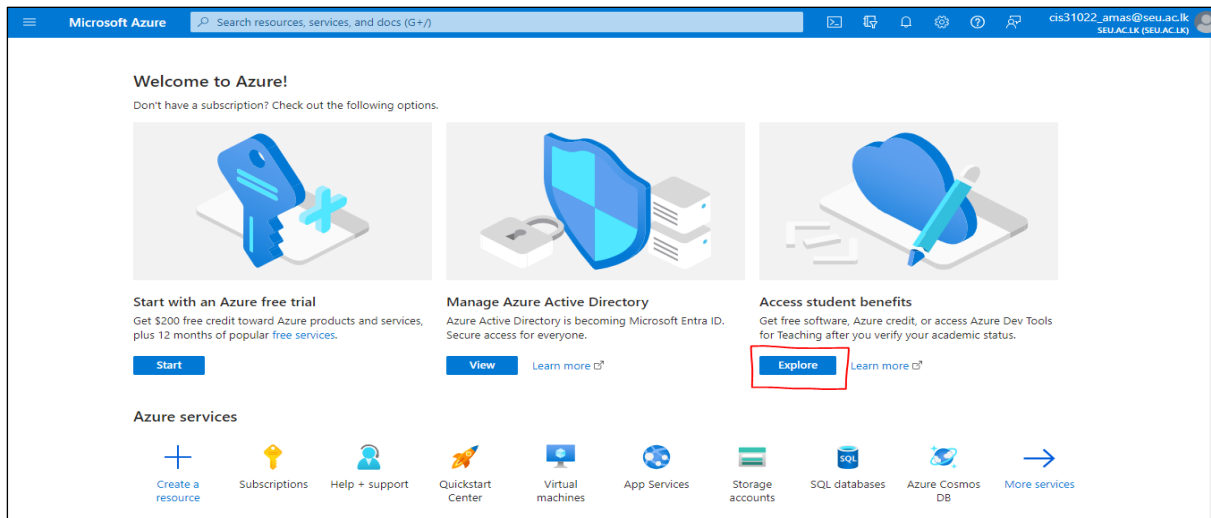

- Click the Start Free Button.

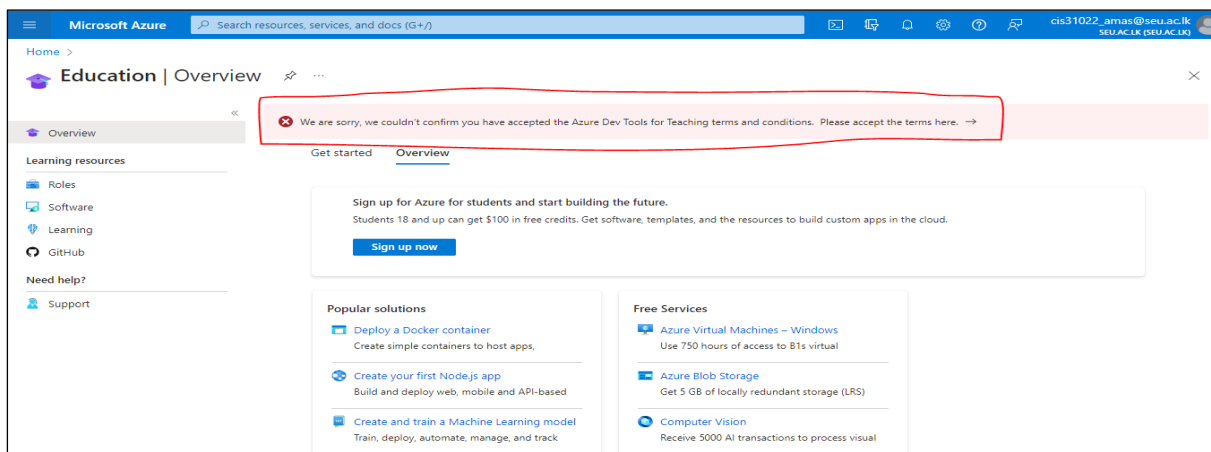

- In the next screen, enter your university domain email id (abc@seu.ac.lk) and the same password you have given for the Microsoft Office 365 Account.

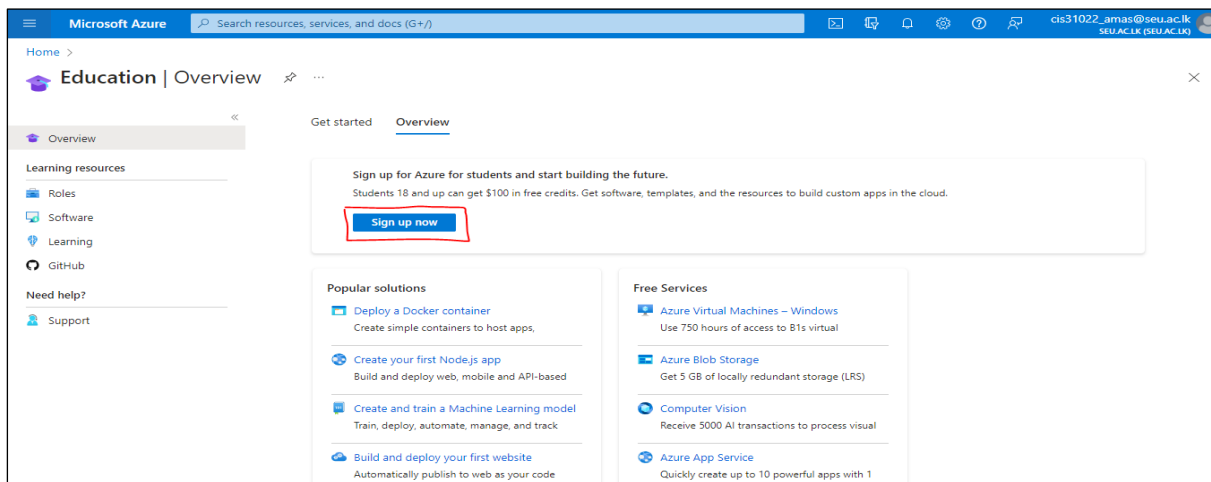

- After the successful login, you can see the home Screen.

- Next, we need to do the student verification process. Click the Explore button under the “Access student benefits”. It redirects to the below page.

- Click the red box to accept the terms and conditions.
- Click the Sign up now button. In the next screen, click Start Free button.

- New page opens for student verification process. Fill the form with the correct information about you. Tick to “I agree to the customer agreement.” And click Sign up button.

The screenshot shows the 'Your profile' sign-up form on the Microsoft Azure website. The form is titled 'Your profile' and includes the following fields and sections:

- Country/Region:** A dropdown menu showing 'Sri Lanka'. A note below states: 'Choose the location that matches your billing address. You cannot change this selection later. If your country is not listed, the offer is not available in your region. [Learn more](#)'.
- First name:** A text input field containing 'Mohamed'.
- Middle name (Optional):** An empty text input field.
- Last name:** A text input field containing 'Asim'.
- Email address for important notifications:** A text input field containing 'cis31022_amas@seu.ac.lk'.
- Phone:** A text input field with a placeholder 'Example: 11 2 345678'.
- Verification options:** A checkbox labeled 'Use a different phone number to verify your identity.' with two buttons: 'Text me' and 'Call me'.
- Address fields:** 'Address line 1', 'Address line 2 (Optional)', 'City', and 'Postal Code'.
- Legal notices:** A paragraph stating: 'By proceeding you acknowledge that if you use your organization's email, your organization may have rights to access and manage your data and account. [Learn more](#)'.
- Agreements:** A section with three checkboxes:
 - ☐ I agree to the [customer agreement](#).
 - ☐ I would like to receive information, tips, and offers about Azure and other Microsoft products and services.
 - ☐ I would like Microsoft to share my information with select partners so I can receive relevant information about their products and services.
- Privacy Statement:** A link to the privacy policy.
- Sign up button:** A blue button at the bottom of the form.

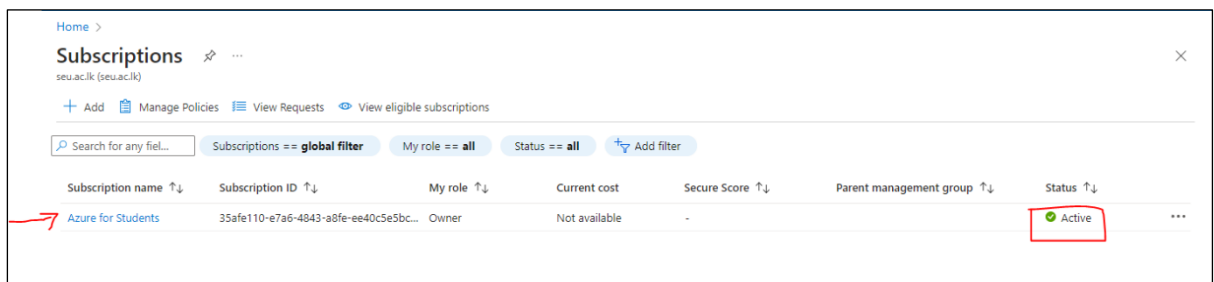

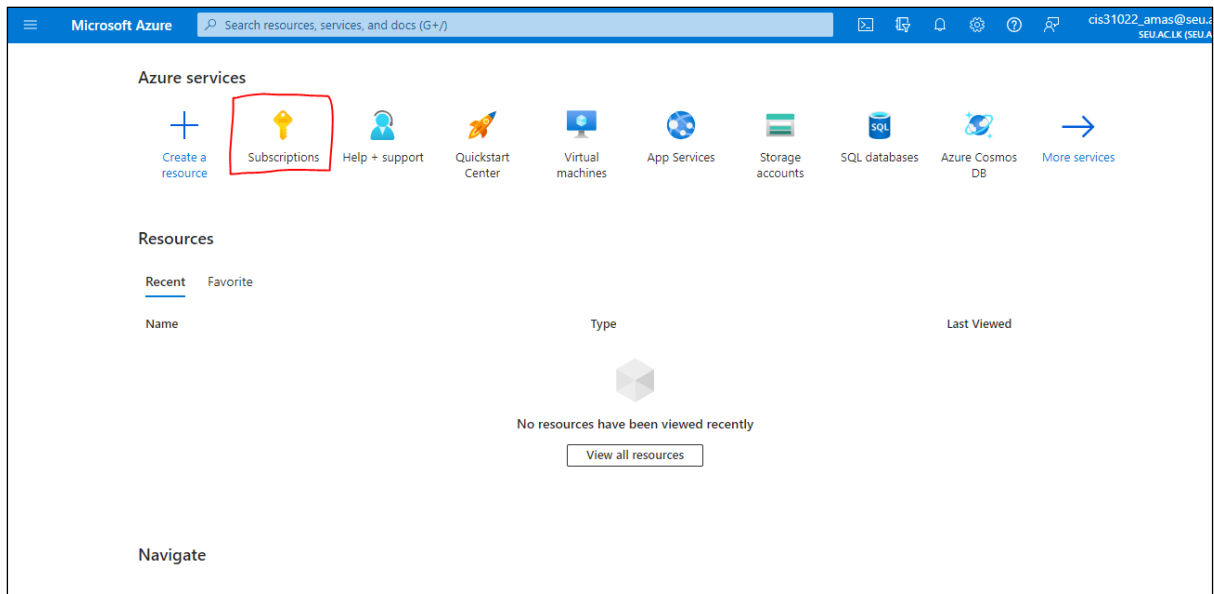

On the right side of the form, there is a section titled 'Azure for Students' with the text: 'Get \$100 in Azure credits and free access to popular cloud services plus developer tools like Visual Studio Code'.

- Once you successfully verified, it will redirect to the below screen.

The screenshot shows the 'Education | Overview' page in the Microsoft Azure portal. The page has a blue header with the Microsoft Azure logo and a search bar. The main content area is divided into several sections:

- Home > Education | Overview:** The breadcrumb navigation at the top.
- Get started Overview:** A sub-header for the current page.
- Learning resources:** A sidebar menu with links to 'Roles', 'Software', 'Learning', 'Templates', 'GitHub', and 'Need help? Support'.
- Student offer details:** A central card with a red box highlighting the 'Available credits' section. It shows:
 - Available credits:** \$100 out of \$100.
 - Days until credit expire:** 364, Expires on 08/11/2024.
 - August costs:** \$0.00.
 - [View cost details](#) link at the bottom.
- Popular solutions:** A list of solutions on the right side:
 - Deploy a Docker container:** Create simple containers to host apps.
 - Create your first Node.js app:** Build and deploy web, mobile and API-based.
 - Create and train a Machine Learning model:** Train, deploy, automate, manage, and track.
 - Build and deploy your first website:** Automatically publish to web as your code.
 - [Explore all](#) link at the bottom.

- Also, you can check your credits with the Subscription button.

- Once you successfully verified you can start using the Microsoft Azure Account.
